Dear Scouts,

All of us at The Seeing Eye are delighted to send you a Puppy Sponsorship Certificate for this male Black Labrador named Xebec. Your successful participation in our *Pennies for Puppies*® program will help us to provide the resources necessary to help this puppy fulfill its destiny to assist a blind student achieve a life of greater independence and dignity.

When your puppy is seven weeks old, it will go to live for about one year with a family as part of our Puppy Raising Program. There your pup receives love, gentle guidance and socialization. After about a year, your puppy will return to The Seeing Eye to begin formal training as a Seeing Eye dog. If it is able to complete all that is required, it will then be matched with a person who is blind and they will learn to work together and care for each other and begin life anew as partners.

We are very grateful to you for the support of our valuable work for people who are blind or visually impaired.

Sincerely,

James A. Kutsch, Jr., Ph.D.
